About

Omaha Rose Society (ORS) was founded in 1955, and is an active member of the American Rose Society . They are a local group dedicated toward growing great roses. During the summer months, they frequently tour members gardens to offer assistance, advice, and to celebrate the glory of roses.

New national American Rose Society members receive a coupon for a free miniature rose. Visit www.ars.org for more detail.

You are able to join our local organization alone for \$15 a year.

The Omaha Rose Society is currently engaged in test site projects called EARTH-KIND®. These projects, conducted with Texas A&M and the University of Minnesota and the University of Nebraska, test Nebraska friendly roses.. More details are on our website at: omaharosesociety.com.
